

K-LOVE serves as a wonderful and positive alternative to the secular music stations in our area. I can confidently expose my pre-teen/teenage children to wholesome and positive music when K-LOVE is on my radio and I DO NOT have to worry about my children hearing anything confusing, shocking, or inappropriate. I believe that K-LOVE serves our community by providing an exceptional radio station that has wholesome and positive content 24 hours a day. If K-LOVE were displaced by an LPFM station it would impact our community negatively. K-LOVE is a provider of many resources and serves as an outreach for those in need in all of the communities it serves. K-LOVE IS positively affecting the lives of their listeners. PLEASE, PLEASE, PLEASE, KEEP K-LOVE ON THE AIR ! Thank you.
